Poster Competition on Ozone (O₃)

It is hereby informed to all students that the United Nation's (UN) **International Day for the Preservation of the Ozone Layer** is celebrated on **September 16** every year. This event commemorates the date of the signing of the Montreal Protocol on Substances that Deplete the Ozone Layer in 1987. **Ozone** is a gas in the atmosphere that protects everything living on the Earth from harmful ultraviolet (UV) solar radiations. It would be very difficult for living organisms to survive in the absence of optimum thickness of Ozone in the atmosphere.

Because First Sessional Test in Institute will be held from 16 September to 23 September, the World Ozone Day will be observed on 11.09.2019 realizing the importance of Ozone Layer. To spread the awareness, Value Education Cell (VEC) of the Institute will organize a Poster competition.

DATES TO REMEMBER

10th September, 2019 – Deadline for submitting the Poster for consideration in the competition. Any poster received after the deadline will not be considered in the competition.

3rd October, 2019 – Display/Announcement of the competition's result.

WHO CAN PARTICIPATE?

The Poster competition is open to all currently enrolled students of ABES Institute of Technology and ABES College of Pharmacy. This is an individual competition. Poster made by more than one student will not be accepted. Students may not submit multiple entries.

Participants are required to submit the entries to **Dr. Rajeev Rajput** and **Prof. Kaushal Gupta**, Value Education Cell (VEC), ABESIT.

JUDGING CRITERIA:

A Panel of Judges (Faculty Members) would review and evaluate the Posters. The Poster will be selected based on the originality of idea to protect Ozone layer. The decision of the judges will be final and cannot be appealed.
