

Name Of The Activity :

Sessions on "Start Up A Startup"

Summary of The Event:

The Institute's Innovation Council (IIC) of ABESIT organized a Start-Up Workshop on Tuesday, 22nd August 2023 which was spearheaded by Dr.Arпита Gupta(NISP Corrdinator IIC).

A startup session in college is a dedicated event or workshop aimed at fostering entrepreneurial spirit and providing students with insights into the world of startups and entrepreneurship. These sessions typically involve guest speakers, entrepreneurs, or industry experts sharing their experiences and knowledge. The objective is to inspire and educate students about starting and running their own businesses, while also equipping them with practical skills and resources.

The objective of this session was to provide participants with a comprehensive understanding of learning start-ups. The session aimed to equip participants with the knowledge and tools necessary to successfully launch and iterate their start-up ideas while minimizing risks and maximizing efficiency.

Its objective was to Inspire , Educate , Skill Development , Networking growth and Awareness.

In conclusion, a startup session in college aims to ignite the entrepreneurial spark within students, equip them with the knowledge and skills needed to navigate the startup landscape, and connect them with the broader entrepreneurial community. It empowers students to consider innovative paths, take calculated risks, and contribute to the world of startups and innovation.
