

Name of The Activity:

Session on "Intellectual Property Rights (IPR)"

Summary of The Event:

The Intellectual Property Rights (IPR) session organized by the Institution's Innovation Council ABESIT, on 25th August 2023 was a significant step towards fostering awareness and understanding of IPR among students, faculty, and staff. The session aimed to shed light on the importance of protecting intellectual property, encouraging innovation, and navigating the complexities of legal frameworks related to IPR.

The session began with a warm welcome by **Prof. Sumit Kumar**, Innovation Ambassador, IIC-ABESIT who emphasized the role of IPR in driving innovation and economic growth. The participants were introduced to the objectives of the session and its relevance in the context of today's rapidly evolving technological landscape. He delivered an engaging and informative presentation. He covered topics such as patents, copyrights, trademarks, and trade secrets. Practical examples and case studies were used to illustrate real-world applications of IPR principles.

The discussions revolved around challenges in protecting intellectual property, the process of filing patents, and the role of IPR in startups and entrepreneurship. The session included case studies highlighting both successful and cautionary tales of IPR management. These case studies provided participants with a nuanced understanding of the potential benefits and pitfalls associated with IPR. The connection between IPR and innovation was a central theme. The participants gained a deeper understanding of how protecting intellectual property encourages inventors and creators to invest time and resources into developing new ideas. The participants were informed about the resources and support available through the Institution's Innovation Council for those interested in exploring IPR-related matters further. Information about workshops, legal clinics, and expert consultations was shared.

The session concluded with a lively Q&A session, where participants had the opportunity to ask questions and seek clarification on IPR-related topics. This interactive segment fostered engagement and allowed attendees to address specific concerns.

Snapshots of the Event:-

Key Outcomes of the Event:

- Participants gained a comprehensive understanding of various Intellectual Property Rights.
- Recognized the vital role of IPR in innovation and entrepreneurship.
- Understand the connection between IPR protection and continued innovation.
- Interest was sparked for advanced IPR-related topics and future events.
- Earned actionable IPR protection strategies for startups and entrepreneurs.
