Brief History and Background

ABES Institute of Technology (AKTU College Code 290), a self-financed institute embarked on its mission in the field of Technical Education in the year 2007. It is situated on a prominent location at NE-3, Crossings Republic, Ghaziabad. It is approved by AICTE and affiliated to Dr. Abdul Kalam Technical University, Lucknow, Uttar Pradesh. Presently we have the following undergraduate programs in B. Tech. – CSE, IT, CSE(AI), CSE (Data Science), CSE(IoT) & ECE and post graduate program in MCA. **B.Tech. CSE, IT are NBA accredited.**

Teaching learning atmosphere in the campus has shown its impact on overall performance of the students in Smart India Hackathon consistently with consolation prize in 2017, three runner-up Teams in 2018, one Team Winner each in 2019, 2020 and two Team winners in 2022. The Institution's Innovation Council (IIC), established under the direction and norms of Innovation Cell, Ministry of Education, Govt. of India is consistently performing well having secured 4.5 STAR out of 5 in 2019-20, 4.0 STAR in 2020-21 and 3.5 STAR in 2021-22. In ARIIA ranking 2021, the Institute got recognized as "Band-Performer" under the category "Colleges/Institutes (Private/Self-Financed) (Technical)". ABESIT Career Resource Centre (CRC) is effectively functioning in conducting placement drives and plays a vital role in enhancing the capabilities and competencies of students so that they become employable and professionally strong. Our students are doing well in academics at university level and average placements are over 80%.

In 2022, the Institute has set up an AI based Centre of Excellence in association with NVIDIA for students and faculty where they'll be provided exposure to industry standards with high-quality in a competitive and challenging environment. This is the first-of-its-kind Centre of Excellence established in any private institute in affiliating university of Dr. A P J Abdul Kalam Technical University, Lucknow, and NCR Region.

ABESIT Campus has air-conditioned classrooms and tutorial rooms, ultra-modern Auditorium and Seminar Hall with audio-visual aids along with an Amphitheatre of 2000 seating capacity. Institute possesses proper playgrounds and hard courts for outdoor sports. Separate decent boy's and girl's hostels with mess facility have attracted the attention of students. The faculty residence in campus provides a sense of security to hostellers, besides strict security monitoring 24X7. State-of-art Library with reading room provides teaching learning atmosphere in the campus. Campus houses Stationery Shop, Snacks Café, Laundry Shop. The teaching faculty of the institute is qualified, competent, and painstaking.

Vision of the Institute:

To be a leading institution in technical education providing education & training enabling human resource to serve nation & world at par with global standards in education.

Mission of the Institute:

1. Developing state-of-the art Infrastructure which also includes establishment of Centers of Excellence in pursuit of Academic & Technical Excellence.
2. Valuing workforce, inculcating belongingness & Professional Integrity.
3. To develop human resource to solve local, regional & global problems to make Technology relevant to those who need it most.

Institute Objectives

1. To inculcate deep innovative and problem-solving capabilities in the graduates.
2. To upgrade state of art infrastructure and eco-friendly sustainable campus.
3. To develop conducive environment for students and staff for effective teaching-learning practices.
4. To ensure technology-based education.
5. To foster employability and entrepreneurship skills into the students.
6. Strive to practice latest pedagogical changes.
7. To create platform for the students to give exposure to the best of industry.
8. To enhance Institute-Industry relation for excellent campus placements.
9. To organize outreach programs through interaction with guest faculty of high repute and international acclaim.
10. To provide well stocked library, e-resources and in reach learning research centre.
11. To participate and organize and in-service faculty development programs, workshops, seminars and conferences.
12. To develop R&D centre for creating brilliant researchers who can contribute to multi-disciplinary global environments.
